AQUA FIT: aerobics in the swimming pool, it is a great way to get fit (buoyancy lifts and supports the body, giving a wonderful feeling of freedom).

BODY BLAST: is a focused conditioning class designed to work out the entire body using simple, effective exercises.

BOOT CAMP: A high intensity, high calorie burning circuit class that conditions the body with resistance and aerobic training. With the use of various equipment / training techniques this class will define/strengthen your body and mind.

BOXERCISE: using pads and gloves to build combinations and perform fun but challenging non-contact boxing drills. Boxercise uses both aerobic and anaerobic training methods allowing you to burn in excess of 1000 calories per class.

KUM NYE YOGA: is a subtle system of sensitive physical exercise techniques. It is mindfulness of body, feelings, breath, senses & mind: this is achieved through postures, movement, breathing techniques, self massage stillness and meditation. Please wear layered clothing and bring a along with you a cushion & a blanket.

LEAN & MEAN: 30 minutes fat burning circuit. This is a high intensity quick moving workout with structured rest intervals, designed to double your calorie burn for the following 24 hours.

PILATES: mat based, improves posture, mobility, flexibility, strength and muscle tone in core, buttocks, thighs, arms, shoulders & back.

SPINNING: all fitness levels can work together in this motivating calorie burning class. Helps to improve stamina and aerobic capacity.

TONE & FLEX: 20 minutes strength and tone focusing on hips, thighs and upper arms; 20 minute of core and abdominal work; 20 minutes stretching to lengthen and improve posture and flexibility. Feel taller, lighter and tighter in three focused steps.

YOGA: a class to improve your suppleness and flexibility. A great way to reduce stress and keep fit.
